LOGISTICS SERVICES DIVISION
WEEKLY REPORT
PERIOD ENDING - 6 JULY 1983

I. Progress Report on Tasks Assigned by the DCI/DDCI:

No items this reporting period.

II. Items/Events of Major Interest:

a. Planned Power Outage: On 30 June 1983 the Logistics Services Division, OL, was advised that the power outage originally planned for Saturday, 9 July, at Key Building was being rescheduled for Sunday, 10 July. This change was made in order to allow the move of the Accounts and Certification Division, Office of Finance, from Key Building to [] Building to proceed as scheduled.

b. Renovations to Reception Area at Ames Building: The renovations to the reception area of the Washington Area Recruitment Office, Office of Personnel, at Ames Building were stopped on Thursday, 30 June, by an Arlington County building inspector. Dominion Management Corp. did not have the proper permit, and the construction plans for the renovations had not been reviewed by the County. However, the problem has been corrected and work should start again on Thursday, 7 July.

c. Expansion of Headquarters Secure Telephone Service: Because of expansion of the Headquarters Secure Telephone Service and renovations which are to take place in Room GD-45/5301 Headquarters Building, the Engineering Division of the Office of Data Processing will be relocated to Room 1A-26 Headquarters. Drawings for the renovations have been completed by the Architectural Design Staff, LSD/OL, and were sent to the Space Maintenance and Facilities Branch, LSD/OL, on 1 July 1983.

III. Significant Events Anticipated During the Coming Week:

None.
